

There is an add-in available for Word called **Write-n-Cite** which can create in-text citations and reference lists from the citations stored in your RefWorks account.

Word 2016

Windows users: You should install **Write-n-Cite 4**.

Mac users: **Write-n-Cite 4** does not work with Word 2016 on Macs. You will need to use the *One Line/Cite View* method to insert citations and create bibliographies. More information about *One Line/Cite View* is available here <https://www.youtube.com/watch?v=LhTqPh66Bw0>

Word 2013 or earlier

Write-n-Cite 4 for Word supports Word 2007, 2010 and 2013.

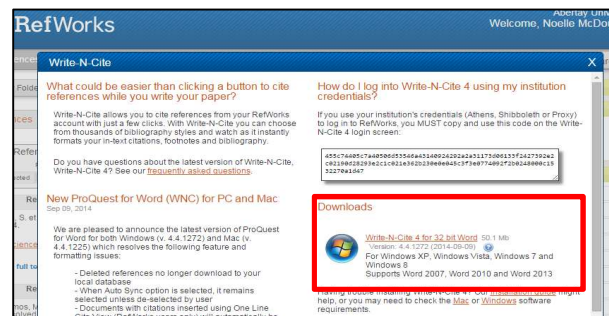

Write-n-Cite 4 for Mac supports Word 2008 and Word 2011.

These and earlier versions are available from the **Tools** menu in your **RefWorks** account.

Installing Write-n-Cite 4

Log in to your **RefWorks** account and click on the **Tools** menu and download the installer file.

Having trouble? Look at the installation guide.

Help using and installing Write-N-Cite
